

IHEPS

INDIANA HEALTHCARE EMERGENCY PREPAREDNESS SYMPOSIUM

2018

SPEAKER

Jason Brown

TITLE

Health Coalitions and the CMS 17

ABSTRACT

Building a Health Care Coalition (HCC) is no easy task and all have slight differences and varied structures from region to region. This presentation will explore the advantages and hurdles of including the 17 provider types outlined in CMS Conditions of Participation (COP). Participants will discuss the need for inclusion to aid the healthcare coalitions in effective surge management and the benefits a health care coalition can provide to our community partners.

1. How to effectively manage all the CMS partners at the coalition
2. How to utilize partnerships with CMS partners to benefit both users
3. Effectively overcoming the challenges/obstacles in partnering with the CMS entities

Jason Brown is the Regional Manager, Emergency Preparedness for the Hospital and Healthsystem Association of Pennsylvania (HAP) in the South West Region of PA and has over 15 years of experience in emergency services. Before joining HAP, Mr. Brown was the Safety and Emergency Management Coordinator, at Holy Spirit Health System and Chair of the South Central Task Force Hospital and Healthcare Facilities Coalition.
